Are your meetings mundane?

Transform dull, ineffective meetings into energized working sessions — the kind that result in big ideas! Post-it[®] Landscape Easel Pads are great for brainstorming, idea sharing and problem solving.

Do your easel sheets fall down on the job?

Bleed-through resistant Post-it[®] Landscape Easel Pads adhere to most wall surfaces — and stick longer than other brands. There's no awkward liner, and the sheets reposition and remove cleanly.

Universal slots fit most easel stands.

Looking for the long view?

Post-it[®] Landscape Easel Pads are perfect for planning. Thirty-inch wide sheets provide ample space for flow charts, line graphs and timelines.
